In the midst of all this rush and whirl, we do well to pause for a day, to drop our business cares and our anxieties, that, taking with us our sons and our daughters, we may join the lessening ranks of the brave boys in blue as they decorate with flowers the graves of their departed comrades, thus over keeping fresh the recollections sadly sweet of deeds of valor done by those who fought, but sleep in death that we our homes in peace might now enhat we our homes in peace might now en-

The memorial services at the Forest Hill cemetery was carried out as in-tended, in spite of the raging storm. The members of the Grand Army were escorted to the cemetery by the Boys' Brigade of the Penn Avenue Baptist Brigade of the Penn Avenue Baptist church. The exercises were conducted under the suspices of Post 319 and Post, 139. Commander Hass made the opening address in behalf of the former. ing address in behalf of the former post, and was followed by Major Pierce, who spoke for Post 139. Rev. N. F. Stahl offered up an eloquent prayer and Rev. Dr. Pearce read a recital for the dead. The honors prescribed by the association were performed by the Sons of Veterans and the dead were saluted by the members of the Grand

Army of the Republic.

AT DUNMORE CEMETERY.

No services were held in the Dunmore cemetery, on account of the unfavorable weather, but early in the day a detachment from Lieutenant Ez ra H. # EXERCISES IN THE EVENING.

Held at the Frothingham and Y. M. C. A. Hall

The Memorial Day services closed last evening with two very excellent entertainments. One was conducted in the Frothingham theater under the ans pices of Ezra H. Griffin post, No. 139, Grand Army of the Republic; the other was in the charge of Colonel Monies post, and was held at Young Men's Christian Association hall. Both were

well attended. The exercises at the Frootingham opened with a recitation, "the Star Spangled Banner," given by Charles B. Hanford, of the Drew Theatrical company. It was a good start, for Mr. Hanford fairly distinguished himself in his effort to please the audience, and was heartily applauded.

Miss Annette Reynolds sang very beautifully "Tenting Tonight on the Old Camp Ground," and Los Heath recited "Keenan's Charge" in a spirited manner. Miss Reynolds sang again, greatly delighting the audience. Both ladies were presented with hand some boquets.

The speaker of the evening, Col. Archie Baxter, of Elmira, N. Y., was next introduced. He spoke for fully an hour, holding his audience spellbound by his elequence. He started out by saying that all great days that mark great events are mile stones that mark our progress. Great days teach great lessons. Memorial Day, he said, is our national day of poetry and sentiment, of flowers and tears and memories of the dead. Then the speaker described battlefield after battlefield, portraying the bravery of the Union defenders with thrilling effect, and impressing upon the minds of all the obligation to extend to the survivors in those stirring scenes that

respect which their heroism merits. After the address Miss Raynolds sang 'Marching Through Georgia." the old soldiers and audience joining in the chorus. The entertainment closed with a spectacular drill, "The charge—the battle—the victory," by the Columbia Volunteers, commanded by Lieutenant Hugh Francy. It was a splendid ex-hibition, the maneuvers of the young men being executed with marvelous

rapidity and neatness.

AT ASSOCIATION HALL. The entertainment conducted by Colonel Monies post, at Association hall, was also eminently successful. John T. Howe presided and Attorneys Charles W. Dawson and A. J. Colborn delivered addresses. Both speakers were at their best and their patriotic

Veterans Unite at Meeting Addressed by Attorney Charles E. Olver.

The Grand Army of the Republic veterans of Archbald and Peckville united yesterday at the Methodist Equacopal church, at Peckville, where Me morial Day exercises were held. This was in continuance of a many year's custom of alternately participating in exercises at either borough.

The address of the day was made by Attorney Charles E Olver, of this city. Excerpts of his worthy remarks are as

follows: When the gentle voice of the Prince of Peace seemed drowned by the awful rear of deadly strife; when the grim spectre of war entered our most secluded homes and said, often to the dearest ido! there, "Follow me"; when scenes of carnage that must have made the very gods of war te shrink from the awful spectacle were of almost daily occurrence; when every breeze from the south bore on its wings tidings that cause I the anxious heart of womanhood almost to forget to breathe and blanched the check of the bravest manhood-Oh, you who bared your breasts to the glittering steel and leaden hail

It was a brilliant ending. The house

was crowded with a cultured and discriminating audience, which the spleu-did work of Mrs. John Drew and the supporting company frequently wrought up to the highest pitch of en-

"The Road to Ruin" is an old English comedy and the splendid interpretation it received last night showed the vesatility of Mrs. John Drew and the supporting company.

The Thieves Found No Money and Became Disgusted.

The steel works depot of the Dela-ware and Hudson Railroad company ware and Hudson Kanfold company was entered at an early hour yesterday morning by burglars. At 5 o'clock a man named Schneider, living opposite the station, noticed the windows broken in the ticket office and the door of the freight house wide open.
